Request for Advisory Opinion

Dear Sirs/Madams:

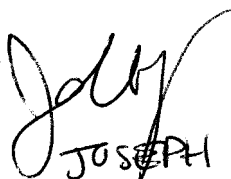

I would like to request an Advisory Opinion from the Board of Ethics with regards to the following situation:

I, Joseph Buckley, am Chief Operating Manager of Buckley Builds Construction, LLC, and I would like to lease a warehouse space, specifically 200 Crofton Road, Building #8, Bay E, from the New Orleans Aviation Board. To such an end, I have submitted an application for lease to the NOAB. I have been in communication regarding the space and the requirements for approval with Steven Gourgues, the Manager of Business Development for the NOAB.

My wife, Diane Buckley, is an Airport Services Agent in the Legal Department of the NOAB. She is also Chief Executive Manager for Buckley Builds Construction, LLC. While Diane has no influence or control of approval of leases or assignment of rents, and rent being requested for the space was determined to be fair market value apriori, for sake of good order and prudence, an Advisory Opinion of the Board of Ethics is requested.

I have included a copy of the NOAB Organization Chart.

Respectfully,

JOSEPH BUCKLEY
